

## 2025 Solo,Duo,Trio Exhibits NAA Proposal Guidelines

The Newark Arts Alliance displays art by local artists in monthly exhibitions throughout the year. Exhibitions are a mix of themed shows, which are open call submissions, and Solo/Duo/Trio shows.

The Newark Arts Alliance's Exhibition Committee meets annually in October to choose the themes for the following year's exhibitions. During this time, the Exhibition Committee also reviews proposals for Solo, Duo, Trio Art Shows. **To submit a proposal for a Solo ,Duo ,Trio Exhibit, please follow these guidelines and submit your proposal, sent via email digitally to: [gallery@newarkartsalliance.org](mailto:gallery@newarkartsalliance.org) or delivered to the NAA by Friday, October 1, 2025.**

### Eligibility

Artists creating works in any medium may submit proposals for Solo or Group shows. Preference will be given to artists who have not had a recent exhibition at the NAA.

### Theme

The proposed exhibition must have a **unifying theme**, which you will describe on the Entry Form. This theme will make the exhibition a coherent body of work. For example, for your application, it would be better to submit 12 landscapes in oil, rather than 3 oil landscapes, several figure drawings, and a few watercolor still-life paintings. However, different media are fine when there is a strong link among the works which convey your theme. We also prohibit "installations" or artwork that projects into the room, since the room is used for other programs at times and the floors need to remain clear except for a few pedestals. Submitted works may not include those previously exhibited at the Newark Arts Alliance.

### Selection Process

All submissions will be reviewed by the Exhibition Committee. The number of proposals selected will depend upon other exhibitions planned for that year; it is likely that only 3 or 4 Solo/Duo shows will be chosen. **Notification will be sent to artists by approximately November 1, 2025 for shows in 2026.**

### Fees

Application fee:

- \$15 for NAA members
- \$25 for non-members

**If accepted, an additional \$85 Gallery Fee is to be paid to the NAA by December 15, 2025.** (For small group shows(up to 4 artists), fees can be split among members as the group chooses.)

### Commission Rate

Commission rates retained by the Newark Arts Alliance on exhibition sales:

- 40% for non-members
- 30% for members
- 20% for working members (A working member volunteers at least 3 hours minimum during each month that works are sold.) Membership should be on file at least one month ahead to get proper commission.

### **Payment for sales**

Payment for sales will usually be made to artists within 30 days of the exhibition's closing.

### **Reception**

We hold a free public reception to celebrate each monthly exhibition on the 2nd Friday of the month from 6 pm–8 pm. Artists will supply food, beverages, ice, and paper products for the opening reception. All food must be ready to eat and suitable for eating on small plates without utensils. A Committee liaison can help with set-up, sales, and closing on the evening of the reception.

### **Publicity**

The NAA will publicize the show through our website ([www.newarkartsalliance.org](http://www.newarkartsalliance.org)), the NAA's monthly email newsletter, through social media, and by other means. Artists may send out postcards for the show. Artists are responsible for printing and mailing the cards, though you may have access to all or part of the NAA's mailing list. Contact Pamela Draper, NAA Ex. Director if you need recommendations for postcard printers or preparing images for print. The NAA Promotions Committee will do most of the publicity for your exhibition.

Artists should contact us at [gallery@newarkartsalliance.org](mailto:gallery@newarkartsalliance.org), to receive the following, both of which must be included on your postcard:

- 1) An electronic file of the **NAA logo**
- 2) An electronic file of the **DDOA logo/statement of support**

### **Presentation**

Artists are responsible for suitable framing with hanging wire on all 2-D work and will arrange to hang the show with an Exhibition Committee member. Framing must be in keeping with professional standards. Frames should have consistency and not detract from the work. **The NAA Exhibition Committee reserves the right to decline a proposed exhibition that will be difficult or unsafe to display.**
